

The Selario Agency, Inc.

Helping financial professionals provide world-class solutions to their client's needs

Revolutionize Your Life Practice with our unique Life Appraisal System

This system will help you get in front of:

- CPA's and Trust Attorneys
- Wealthy clients over 70 with large insurance portfolios
- Wealthy clients over 70 with significant Bond, CD, or IRA portfolios
- Bank Trust Officers

Our system is simple and utilizes a combination of Life Settlements, Rated Immediate Annuities, and No-Lapse UL to help increase your prospect's estate, reduce their costs, and possibly increase their current income.

Our system turns you into an advisor and not a salesman, thus elevating your stature and importance to those gatekeepers who have access to the prospects you want to meet.

Contact us at your earliest convenience so we can help you Revolutionize Your Life Practice.
