

Frustrated

**with declined
DI cases?**

If you're frustrated with declined DI cases, try AssurityBalance® Graded Benefit Disability Income Protection – **you'll find it a *custom fit* for your *impaired risk* clients.**

You no longer have to toss out DI apps (and commissions!) for fully-employed clients with medical conditions.

At Assurity, we'll consider a long list of health issues as well as your clients who are newly self-employed or work from their home.

**So empty your waste
basket of DI declines
— at Assurity, we
have the right fit and
the right product!**
